CHAPTER SURVEY

Soon all Chapter members will be receiving a short survey with postage paid return envelope. Please take a moment to complete and return it promptly. We want to know what areas you are interested in so we can direct our focus in those directions and perhaps eliminate some things where there is little interest. We need your help on this one.

APPRECIATION DAY CHILI FEST

The weather was absolutely awful! It washed out our Young Eagle Rally and hay ride and kept most folks home. The ones (about two dozen) who did brave the soggy weather had a good time, though. We had hoped to have a special day to honor all our members who have given so generously of their time and talent in 2001. After getting blown out of the water in September after the WTC attack and rained on in October, let's hope for better luck in '02.

OCTOBER MINUTES

Bill Stevens won \$40 in the 50/50 raffle (don't forget to tell the IRS, Bill) This monthly raffle has been paying the rent on our web site. It was decided to raffle off all left over frozen and packaged food (from *Flyers & Tires*, etc.) at the evening Chili fest.

It was decided to survey the membership to guide us in planning activities for 2002. (Mark Krohn & Jeff Hill, Sr.)

John Theriault volunteered to chair a scholarship committee as the Chapter would like to sponsor one or more McHenry County youths at the EAA Air Academy at OSH next summer. We also would like to run a Private Pilot ground school and sponsor several young people in it. More on this soon.

Hill, Sr., Krohn and Le Jeune reported on their experience at the EAA Leadership Workshop.

Young Eagles coordinator Larry Schubert wishes to remind all members to contact him if they would like to schedule Young Eagle flights for individuals or a group. You don't have to wait for a formal Chapter Young Eagle Rally. (See Larry's contact information, last item in this newsletter.)

MORE ON NOTAMS

FDC 1/1763 FDC TEMPORARY FLIGHT RESTRICTIONS OVER NUCLEAR SITES....

And so it continues. This latest effectively closes (at least until Nov 7) the following Illinois airports: I01, Empress River Casino, Joliet; JOT, Joliet Regional, Joliet; M30, Metropolis Municipal, Metropolis; C09, Morris Municipal-James R. Washburn Field, Morris; C55, Barnett Memorial, Mount Morris. There is also a TFR area over down town Chicago.

The point is this: Check the Notams before each flight! This stuff is constantly changing and it IS NOT in your GPS database. If you don't understand a notam (they're often poorly written) get a reading from FSS or look for a plain English interpretation on AOPA's web site at www.aopa.org.

EAA 932 MEMBERS ATTEND CHAPTER LEADERSHIP WORKSHOP

Chapter President Mark Krohn, Secretary Jeff Hill, Sr. and member Mike Le Jeune attended the EAA Chapter Leadership Workshop at OSH Oct. 6.

All three felt they got a lot out of it and came back with many good ideas for 2002. They stayed over Saturday night in order to attend a dinner after which EAA founder Paul Poberezny spoke. All three EAA 932ers agreed that although Mr. Poberezny is a legend in his own time, he comes across as "just the nicest guy you could ever want to meet, a gentleman in the finest sense of the word and we feel very fortunate in having met him".

EAA 932 Members meet EAA founder Oct. 6 (L to R) Mike Le Jeune, Jeff Hill, Sr., Paul Poberezny and Mark Krohn.
